Dear Business Partner,

Subject: Economic Statistical Survey by Dubai Statistics Centre

The Dubai Statistics Centre is currently conducting an economic survey within Dubai including TECOM Business Parks to collect economic data for analysis and studies.

The information generated through the survey will be used for the compilation of GDP and other aggregates of national accounts, which are essential to evaluate economic performance across different sectors, support decision making and planning for the emirate of Dubai. .

All data collected through the survey will be subject to strict confidentiality as per the law.

Should you require further clarifications on the subject, please contact Mrs. Alya Bin Suliman – Manager of Business Statistics on 04 4363310 or email : absulaiman@dsc.gov.ae

Your cooperation with this survey will be highly appreciated.

Sincerely,

Dubai Technology and Media Free Zone Authority
