Dubai Municipality**

Dear Business Partner,

As you are aware, validity of the license is mandatory for continued operations of any business from within the TECOM Zone, under the terms of the Licensing Regulations 2003.

On the same note, we wish to draw your attention to Note No. 5.2 of Decision No. 1 of 2008 concerning Licensing Categories, issued on 02 January 2008, which stipulates the following:

*Issuance and renewal of licences under the Service Provider Segment for the following activities: Restaurant (10.1.11), Coffee Shop (10.1.12), Cafeteria (10.1.13), Ice Cream Shop (10.1.14), Health Club / Fitness Centre (10.1.22), Beauty Salon (10.1.23), Spa Club (10.1.24) and Laundry (10.1.34) are subject to obtaining appropriate approvals from the Dubai Municipality.*

In view of the above, we kindly request you to secure a 'No Objection Certificate' from Dubai Municipality prior to expiry date of your license, as this document is a pre-requisite for license renewal.

Dubai Municipality issues a 'No Objection Certificate' after successful inspection of your operations within the TECOM Zone.
