

Date: 11th July 2007

Dear Business Partner,

In an effort to provide 'best in class' service to our Business Partners, we have now arranged for the following counters to operate from DMC 14, in conjunction with concerned Authorities.

RTA Counter:

Initially the RTA counter will be providing services relevant to SALIK. However, in due course, this counter will provide additional services viz. Traffic Fine payments, Renewal of driving license, Lost or Damaged Driving License replacement, issuing driving license for individuals transferred from other Emirates, and other related service.

In addition, Business Partner can apply for RTA letters from GSO office at nominal Fees:

Driving license & Car Registration – Individual:	AED 110
Light Vehicle registration – Corporate:	AED 160
Commercial Vehicle registration – Corporate:	AED 310

E-gate Counter:

With the eGate system, frequent travelers can enter and exit through Airport Passport Immigration Control with greater speed and efficiency.

As an introductory offer eGate can be obtained at cost price of AED 200, you are required to come personally, along with your original passport and get your eGate on the spot.

You can now avail all these services at DMC 14, approaching their respective counters.

For any relevant queries, please contact our Customer Care Centre (tel.: +971 4 391 1111) or e-mail us on gsoenquiry@tecom.ae
